

Dick Scobee Memorial Airfield home of *Bayou City Flyers*

AMA Membership, Club Membership, Field Rules, Beginner Airplanes

AMA Membership provides you with the insurance that is **REQUIRED** by the County Commissioner, AMA, and HAMCI rules to **ENTER** and fly RC Airplanes at Dick Scobee Field. Adult AMA membership is \$75 per year, those 19-years old and younger can join for free, sign up here: modelaircraft.org. Please print out a receipt to bring to the field as proof of membership until you receive your AMA membership card. You may fly with one of our **Introductory Pilots** for 60 days before obtaining an AMA Membership if you already have a plane. Our **Introductory Pilots** are: Keith Klix (832-586-5056) and Dick Pursley (281- 216-5553). Please call them to make an appointment (they are the only two you can fly with without an AMA membership). You now must also be registered with the FAA, you can do that here: <https://registermyuas.faa.gov/>

Bayou City Flyer Membership is recommended and provides access to the club house as well as many other benefits, activities, and events. If you are a beginner requiring lessons the club will provide flight lessons **FREE** as a part of your membership (\$50 per year adults / \$20 youth). Membership forms are available in the clubhouse or at: <http://bayoucityflyers.com>.

Field Rules, designed to keep everyone safe, are posted and enforced. Please read and follow for the safety and enjoyment of yourself and other flyers.

We recommend the following planes for learning to fly RC. You can find them either locally or online. **Note:** Military Aircraft and Jets are advanced level and not recommended for beginners.

1. **Apprentice S 15e Electric RTF**. Online at horizonhobby.com, use the search on the upper right and type in: **EFL3100**.
2. **Super Cub DSM Electric RTF**. Online at horizonhobby.com, use the search on upper right and type in: **HBZ7400**.
3. **Alpha 40 Glow Engine Plane RTF**. Online at horizonhobby.com, use the search on the upper right and type in: **HAN4400**. Additional Items needed to fly this plane.
4. **Hobbico Hobbistar 60 Glow Engine Plane RTF**. Online at towerhobbies.com, use the search on the upper right and type in: **LXGHD4**. Additional Items needed to fly this plane.

The following Local Hobby Shops carry one or more of these, please call for availability.

1. RC Hobby Shop, (281-265-4844) 206 Brand Ln. Stafford, TX 77477
2. Randy's Hobbies, (281-469-7000) 18706 Tomball Pkwy. Houston, TX 77070
3. HobbyTown USA, (281-556-8697) 2392 Hwy. 6 South Houston, TX 77077
